

PEMBERTON TRANSFER STATION

1929 STONECUTTER PLACE

A

Paid Waste Area

1 SCALE & SCALE HOUSE

- Scrap Metal, Clean Wood, Oversized Items to Landfill, Household Waste to Landfill, Drywall and Yard Waste must be weighed before disposal. Tipping fees for the disposal of these materials is based on weight.
- Tires, Large Appliances and Mattresses must also be taken over the scale, tipping fees are per unit.
- All payments are made at the scale house. Cash, Debit and Credit are accepted.
- The scale must accomodate all traffic to and from the Paid Waste area, please wait for the green light before proceeding over the scale.

8 - ROTATION SCHEDULE

January	February	March	April	May	June
	*	*	*		*
Yard Waste	Drywall	Mattresses	Drywall	Yard Waste	Yard Waste
July	August	September	October	November	December
*	*	*		*	
Mattresses	Drywall	Mattresses	Yard Waste	Drywall	Mattresses

* Special disposal instructions apply

TIPPING FEES

Tipping fees are a waste diversion policy (think climate action), and helps to encourage residents to separate recyclables and organics from landfill waste. Tipping fees are one of the waste diversion approaches outlined in the regional Waste and Resource Management Plan.
