Representations & Warranties

The delivery and dumping of asbestos containing material poses a serious health risk to workers and will result in significant financial damages to New West Gypsum Recycling (BC) Inc. New West Gypsum Recycling (BC) Inc. is relying on the accuracy and the customer's declaration in accepting drywall materials for recycling.

By signing this form, the customer agrees to accept liability for all costs incurred by New West Gypsum Recycling (BC) Inc. (including business interruption losses and losses in profits) that result from an incorrect declaration regarding the origin and content of the material as declared above and that the minimum liability for making such an incorrect declaration will be a payment of \$10,000 plus all clean-up costs. New West Gypsum Recycling (BC) Inc. further reserves the right to ban any customer from disposing of drywall to any of its facilities.
